

love  
ive youre hold start  
world  
sing waiting baby em  
burn kiss dance hard fire  
gotta dark die heart ya  
talk play peek watch youll rock  
stars wrong b people stay close  
youve live idlie walk hes chorus fall  
forever sky care mind lose friend sun mine real  
bring tonight light fly fight whats e call tears  
shes hand home shit didnt lost blue  
change ill life head move left feeling  
pain girl night stand leave free money  
boy day song bad stop  
inside words coming hear dream  
eyes soul time
